

# Privacy Policy

## Overview

tollsRus.com is firmly committed to the privacy of its members. tollsRus.com works hard to earn and keep your trust, so it adheres to the following principles to protect your privacy:

- tollsRus.com does not rent or sell your personally identifiable information to third parties.
- tollsRus.com does not share your contact information with other users or third parties without your consent.
- Any personally identifiable information that you provide to tollsRus.com will be secured with industry standard protocol and technology.

## Information Collection

tollsRus.com is an online web site that offers a service for paying tolls on designated toll roads. When you visit tollsRus.com you provide two types of information: personal information you knowingly choose to disclose that is collected by tollsRus.com and Web Site use information collected by tollsRus.com as you interact with the tollsRus.com web site (the "Website").

When you register with tollsRus.com, you provide certain personal information, including, your name, your email address and your address. Additionally, when you establish your profile as a user you will provide personal information relating to you, your vehicle(s), your license plate(s), credit card, your email and your mobile phone(s).

When you enter the Website, tollsRus.com collects your IP address. This information is gathered for all tollsRus.com visitors. In addition, tollsRus.com stores certain information from your browser using "cookies." A cookie is a piece of data stored on the user's computer tied to information about the user. tollsRus.com uses session ID cookies to confirm that users are logged in. These cookies terminate once the user closes the browser. By default, tollsRus.com uses a persistent cookie that stores your login ID (but not your password) to make it easier for you to login when you return to the Website. tollsRus.com members must have cookies enabled on their browser. Note, Cookie preferences are set within each browser's Internet options/preferences.

If you post a information on a bulletin board, or participate in a public message board, you should be aware that any personally identifiable information you choose to provide there can be read, collected, or used by other users of these forums and could be used to send you unsolicited messages. tollsRus.com is not responsible for the personally identifiable information you choose to submit in these forums.

tollsRus.com is the sole owner of the information collected through the Website.

## Information Use

tollsRus.com will not sell or rent any collected information to third parties. tollsRus.com will not share your contact information with other users or third parties except in connection with possible employment and with your express consent. All registered tollsRus.com members click the "I AGREE" button on the sign up form agree to the tollsRus.com Privacy Policy, Customer Agreement, and Terms of Site Use.

tollsRus.com records IP addresses for system administration purposes. This information is used to diagnose server problems, monitor traffic patterns, analyze trends, administer the website, track member user patterns, and identify the most popular areas of the website to deliver content most relevant to registered members. IP addresses are not linked to personally identifiable information and are only used to gather broad demographic information for aggregate use, except in the case of fraud.

tollsRus.com reserves the right to share aggregated demographic information with its partners and/or advertisers, such information will not be linked to personal information that identifies registered users, except in the case of fraud.

## **Links**

The Website contains links to other websites and is not responsible for the privacy practices of such websites. tollsRus.com encourages its members to read the privacy policies of all websites. This privacy statement applies solely to information collected by tollsRus.com.

## **Security**

tollsRus.com takes industry standard protocols and technology to protect registered user information. tollsRus.com is a Secure Site. All transactions performed through tollsRus.com are conducted in a Secure Socket Layer (SSL) session. The Secure Socket Layer encrypts all transaction data for transmittal in a format that prevents data theft. This process protects all private information from being disclosed to third parties. While on a secure page, the lock icon at the bottom of a Web browser (i.e. Netscape Navigator and Microsoft Internet Explorer) becomes locked.

tollsRus.com also protects registered user information offline. All registered user information is restricted within our offices. Servers used to store personally identifiable information are housed in a secure, supervised environment. In addition, only tollsRus.com employees who need specific information to perform a task are granted access to personally identifiable information.

## **Mandatory Communications**

tollsRus.com sends all newly registered users a welcome email to verify their email addresses. At times, tollsRus.com sends service announcements to its registered Employers and Freelancers. Registered Users cannot unsubscribe from service announcements that discuss upcoming changes that affect their tollsRus.com accounts. In addition, we communicate with registered members via personal emails or phone calls to provide requested services.

## **Optional Communications**

Registered users receive monthly e-newsletters containing information on tollsRus.com products, services and announcements. Occasionally, registered users receive e-postcards that highlight special tollsRus.com announcements and features. Registered users can opt-out of the above listed communications. Please see our Choice/Opt-out section below.

## **Choice/Opt-out**

Upon registration, users can opt-out of tollsRus.com's optional communications. Additionally, registered users can, at any time, modify their tollsRus.com email (service announcements) preferences by updating their account information.

## **Notification of Changes**

tollsRus.com reserves the right to modify this privacy policy at any time, so please review it frequently. If tollsRus.com alters its Privacy Policy, it will promptly post all changes. By continuing to use tollsRus.com after changes have been made to this policy, you are consenting to the changes.
